

The Department of Liquor Licenses and Control (DLLC) is exploring A.R.S. Title IV (Arizona liquor laws) to identify practices and procedures that, with improvements, will better serve Arizona. DLLC would greatly appreciate your participation in a Northern Arizona Title IV Forum being held this July in Flagstaff.

Northern Arizona Title IV Forum
Wednesday, July 30th, 2008

(location to be determined)
Flagstaff, Arizona

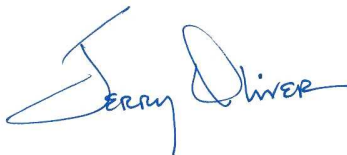

To focus our discussion, please provide a brief, bullet-point style list of your top three (3) suggestions to improve the understanding and execution of Title IV licensing and law enforcement practices. In addition, the newly proposed Title IV Rules are posted on our website (www.azliquor.gov) along with a translation table that will help you navigate through the proposed changes. We would appreciate your suggestions, questions, or comments regarding these changes and will include them in our discussion.

Please email your topics of discussion, which will also serve as your R.S.V.P., by 5pm Friday, July 25th to:
